

Mission United

Supporting the nearly 50,000 veterans who call
our region home.

WHAT IS MISSION UNITED?

- Mission United is a special United Way campaign to support local returning veterans and aging veterans.
- Mission United provides immediate care and resources to local veterans by funding an expert network of veteran services.

OUR TURN TO SERVE:

- Many recently returned veterans struggle with homelessness, unemployment and poverty.
- Older veterans need special help and support, including health care and transportation.
- Donations to Mission United support United Way's network of partners who serve veterans, helping more vets find housing, jobs, senior care and more.
